XIII FIELD PROBLEMS:

Memorandum sent to electrical contractors from state of delay in enforcement of 690.11. Still pending. Local jurisdictions can enforce section. State sets minimum requirement. REC solar would like to see if jurisdiction would revisit enforcement, being that the state does not enforce this section. Question asked if manufacture listing could be brought to meeting for further discussion?

Field evaluation bodies have been approved by the State board.

When doing a service change, work on a panel where the Xcel seal has been removed, there needs to be some type of notification to Xcel. A close loop, reseal of meter housing any alteration of line side conductors etc. Contact Xcel Contractor line for more

No report from Nameste on 1000v converters.
